WELCOME TO ALEXANDRIA – EGYPT TO THE 18TH ISHPES CONGRESS

Dear Friends and Colleagues,

On behalf of my-self and the hosting, faculty of Physical Education for Girls- Alexandria University and the Organizing Committee, we have the honor to announce the upcoming 18th ISHPES Congress to be held in Alexandria, Egypt, from April 3 – 6, 2017, under the patronage of Alexandria University, Ministry of Higher Education and the Ministry of Youth and Sports.

When choosing a place for your work and vacation, you need to put a few things in mind; a place where you can work and relax, enjoy yourself and experiment with new things you wouldn't normally come across in your own country. That being said, **Egypt** is a very rich country when it comes to culture, sightseeing and various aspects you'll experience during your visit.

The Congress will present keynote speakers, plenary and parallel sessions, joint events, great hospitality, social events, and exhibitions which you can expect if you join the Congress in the ancient country of Egypt and the city of Alexandria, the Pearl of the Mediterranean.

Let us not forget the early career scholars and undergraduate students who are welcome to join the Congress. This is a big chance for you to meet new colleagues from an ancient land where you might never have been before.

We are looking forward to welcome you in Alexandria and the Congress.
